

<b>Place/Region</b>	Skandagiri, also known as Kalavara Durga is an ancient mountain fortress. Skandagiri used to be the location of one of the many fortresses Tipu Sultan built for fighting against the British Raj. After Tipu Sultan lost to the Raj, the fortress was dismantled around 1791 AC. Now all that remains of the fortress are some unrecognizable walls and remains of an abandoned temple. Also Skandagiri is known for its moderately difficult night trek and beautiful sunrise among rising clouds.
