

Place/Region	Rathnagiri is a village with lot of history lying all over the place. The fort that runs around 2 hills play a significant role in Rathnagiri's tale. This place also provides a beautiful spot for trekking too. The trail begins from a ruined temple in Vijayanagara style and the main entrance has a massive brick wall with an arched gateway. The fort has 3 levels and consists of water pools, rest houses for guards and soldiers, granaries, water tanks and pair of feet engraved at the top of hill.
